

The Catholic Parliamentary Liaison Office and Freedom Under Law

cordially invite you to a discussion on

Impeaching Judges:

Constitutional Milestone or Admission of Failure?

The removal from office of Judges John Hlophe and Nkola Motata can be seen as an example of constitutional provisions and processes working as intended, albeit at snail's pace. At the same time, the lapses in integrity that led to the impeachments inevitably reflect badly on the judiciary as an institution and may undermine the public's confidence in the courts.

Please join our panel of experts, live or online, to discuss the ramifications of this seminal moment in South Africa's constitutional development.
