

THE CATHOLIC PARLIAMENTARY LIAISON OFFICE,
THE HANNS SEIDEL FOUNDATION & THE DULLAH OMAR INSTITUTE
CORDIALLY INVITE YOU TO A WEBINAR ON:

THE GOVERNMENT OF NATIONAL UNITY ONE YEAR ON

When the GNU was formed many people doubted whether it would last a year. Yet, despite numerous disagreements and points of friction it has, and the notion of a coalition at the highest level of government is beginning to take root. But has it resulted in more effective governance? Has it brought new thinking and perspectives, or is it merely allowing more parties to share in the fruits of office? Does it need regulation or legislation to make it more stable? Our guests will tackle these and other questions on the GNU.
