

YOU ARE CORDIALLY INVITED TO JOIN

CPLO's Short Webinars on Fake News, Reliable Sources & Information Integrity

It is becoming more and more difficult for most of us to know what we can trust in the media. Fake news and misinformation are being used as political tools; governments are cracking down on the free flow of information; and many forms of traditional print and broadcast media are under pressure.

*Join us for discussions with **Karen Allen**, veteran BBC News journalist and Senior Research Advisor at the Institute for Security Studies; and **Ray White**, radio and television broadcaster with Radio 702, Eye Witness News and Radio Veritas.*
