

Do you understand AI and its impact on our lives?

THE CATHOLIC PARLIAMENTARY LIAISON OFFICE

Cordially invites you to a webinar on

An Ethical & Theological Interpretation of Artificial Intelligence

with

Dr Jan Jans STD, Retired Associate Professor of Ethics - Tilburg University, The Netherlands

This webinar aims to facilitate both an understanding of AI as a human undertaking and to open some windows for interpretation. It will consider ethical issues such as the use of resources and environmental damage, the impact of para-social chatbots, the problems of Large Language Models Grooming, and so-called self-coding. It will also deal with theological questions raised in two recent Vatican documents "Old and New" (Antiqua et Nova – 2025) and "Humanity, where are you going?" (Quo Vadis, Humanitas? – 2026).

Date: Wednesday, 15th April 2026
