

A CATHOLIC PARLIAMENTARY LIAISON OFFICE WEBINAR ON:

SMALL BUSINESS AND POVERTY ALLEVIATION

South Africa's SMME sector is a key driver of economic activity, employment and innovation. It is estimated that the sector provides 11.4-million jobs, and contributes approximately 34% of the national GDP. It is undeniable that the sector can play a major part in poverty alleviation.

SPEAKER: Dr Patricia C. Agupusi

Assistant Professor of Social Science at
Worcester Polytechnic Institute (WPI), USA
